

Damon Hakim
Managing Partner
Red Asia Inc.

Managing Partner of Red Asia Inc,
Indonesia's largest local and independent group of companies
with the most comprehensive solutions within the industry of AI,
digital marketing, digital transformation, commerce, creative, and
media.

Pioneering RedAI, bridging Indonesia businesses to AI
technology via SaaS and services.

25+ years in the cross path of creative, media and tech industry.

Founded *Red Comm Indonesia* – Record-breaking 6x Indonesia's
Agency of The Year from 2018 to 2023.

Speaks mostly about the junction of AI, innovation, leadership,
business and social media

Personally passionate about parenting and family relationships.
Co-founded *Tanam Benih Foundation*, one of the leading credible
parenting media in the country, which has reached millions of
young parents in Indonesia through social media.

A husband, a father of 3 boys.
